Effective October 5, 2012

All-Payer Claims Data Fee Schedule

The Division of Health Care Finance and Policy (“Division”), pursuant to 114.5 CMR 22.03(3), is issuing this Administrative Bulletin to report the fees established for All-Payer Claims Database (“APCD”) data and related application fees for such data. The established fees reflect the cost of systems analysis, program development, computer production, vendors’ fees, consulting services and other costs related to the production of the requested data. An applicant requesting APCD data must remit the application fee with the applicant’s data request application and, if such application is approved, the applicant must remit the established fee prior to the release of the requested data. The established fees listed below are effective for the period October 5, 2012 through June 30, 2013 and the period commencing July 1, 2013. For subsequent years, established fees may be subject to an annual increase of up to 2%. All fees listed below are for the first year of data received. Additional years of data are discounted by 50%. Some applicants, in accordance with 114.5 CMR 22.03(3), may qualify for a fee reduction or waiver. Note that “small organizations” as described in the fee schedule are entities with less than 25 employees or annual revenues of less than \$3 million.
